Facilitator:	Alexander Lleva	Note taker:	All group members
Timekeeper:	Wesley Fegan		

Attendees: Wesley Fegan, Alexander Lleva, Ramanand Kachhia, Doron Griffin-Tann

Please read: Group project assignment on Canvas.

Please bring: Computer and the presentation.

Duration: 20 Minutes

Agenda item   Review the presentation and submit final deliverables.   **Presenter:**   Ramanand Kachhia

Discussion:

- As part of the final submission, we need at least five meeting minutes, research docs, and the presentation. These should be committed to a GitHub repository.

Conclusions:

- We reviewed the presentation and everyone is in agreement that the presentation is ready to be presented. We have discussed in the chat that we need to practice our presentation to be confident in each member.
